The left smartphone screen displays the 'Brand & Share™' app interface. At the top, it shows the 'Blue Ocean REAL ESTATE' logo. Below the logo are buttons for 'Clear' and 'Select Logo'. Underneath is a section titled 'Pick your color scheme' with four color swatches: 'Main' (light blue), 'Accent' (medium blue), 'Headers' (dark blue), and 'Presets' (a color wheel icon). Below the color swatches are buttons for 'Reset' and 'Preview'. At the bottom of the settings menu are buttons for 'Apply colors and logo' and 'Share my App'. The bottom navigation bar includes icons for Home, Search, Contacts (with a red badge showing '8'), Messages (with a red badge showing '1'), and a 'More' menu icon (highlighted with a pink circle). The right smartphone screen shows the 'Color Wheel' interface. It features a large circular color wheel with a white dot indicating the selected color. Below the wheel is a 'Brightness' slider with a white knob and a numerical value of '0.56'. The top of the screen shows 'Cancel' and 'Done' buttons.
