The MLS in the Palm of Your Hand

Prospects Mobile is more than a listing search tool. It's packed with features like the ability to create your own branded app, post your listings to Facebook, manage your contacts, and access your members directory.

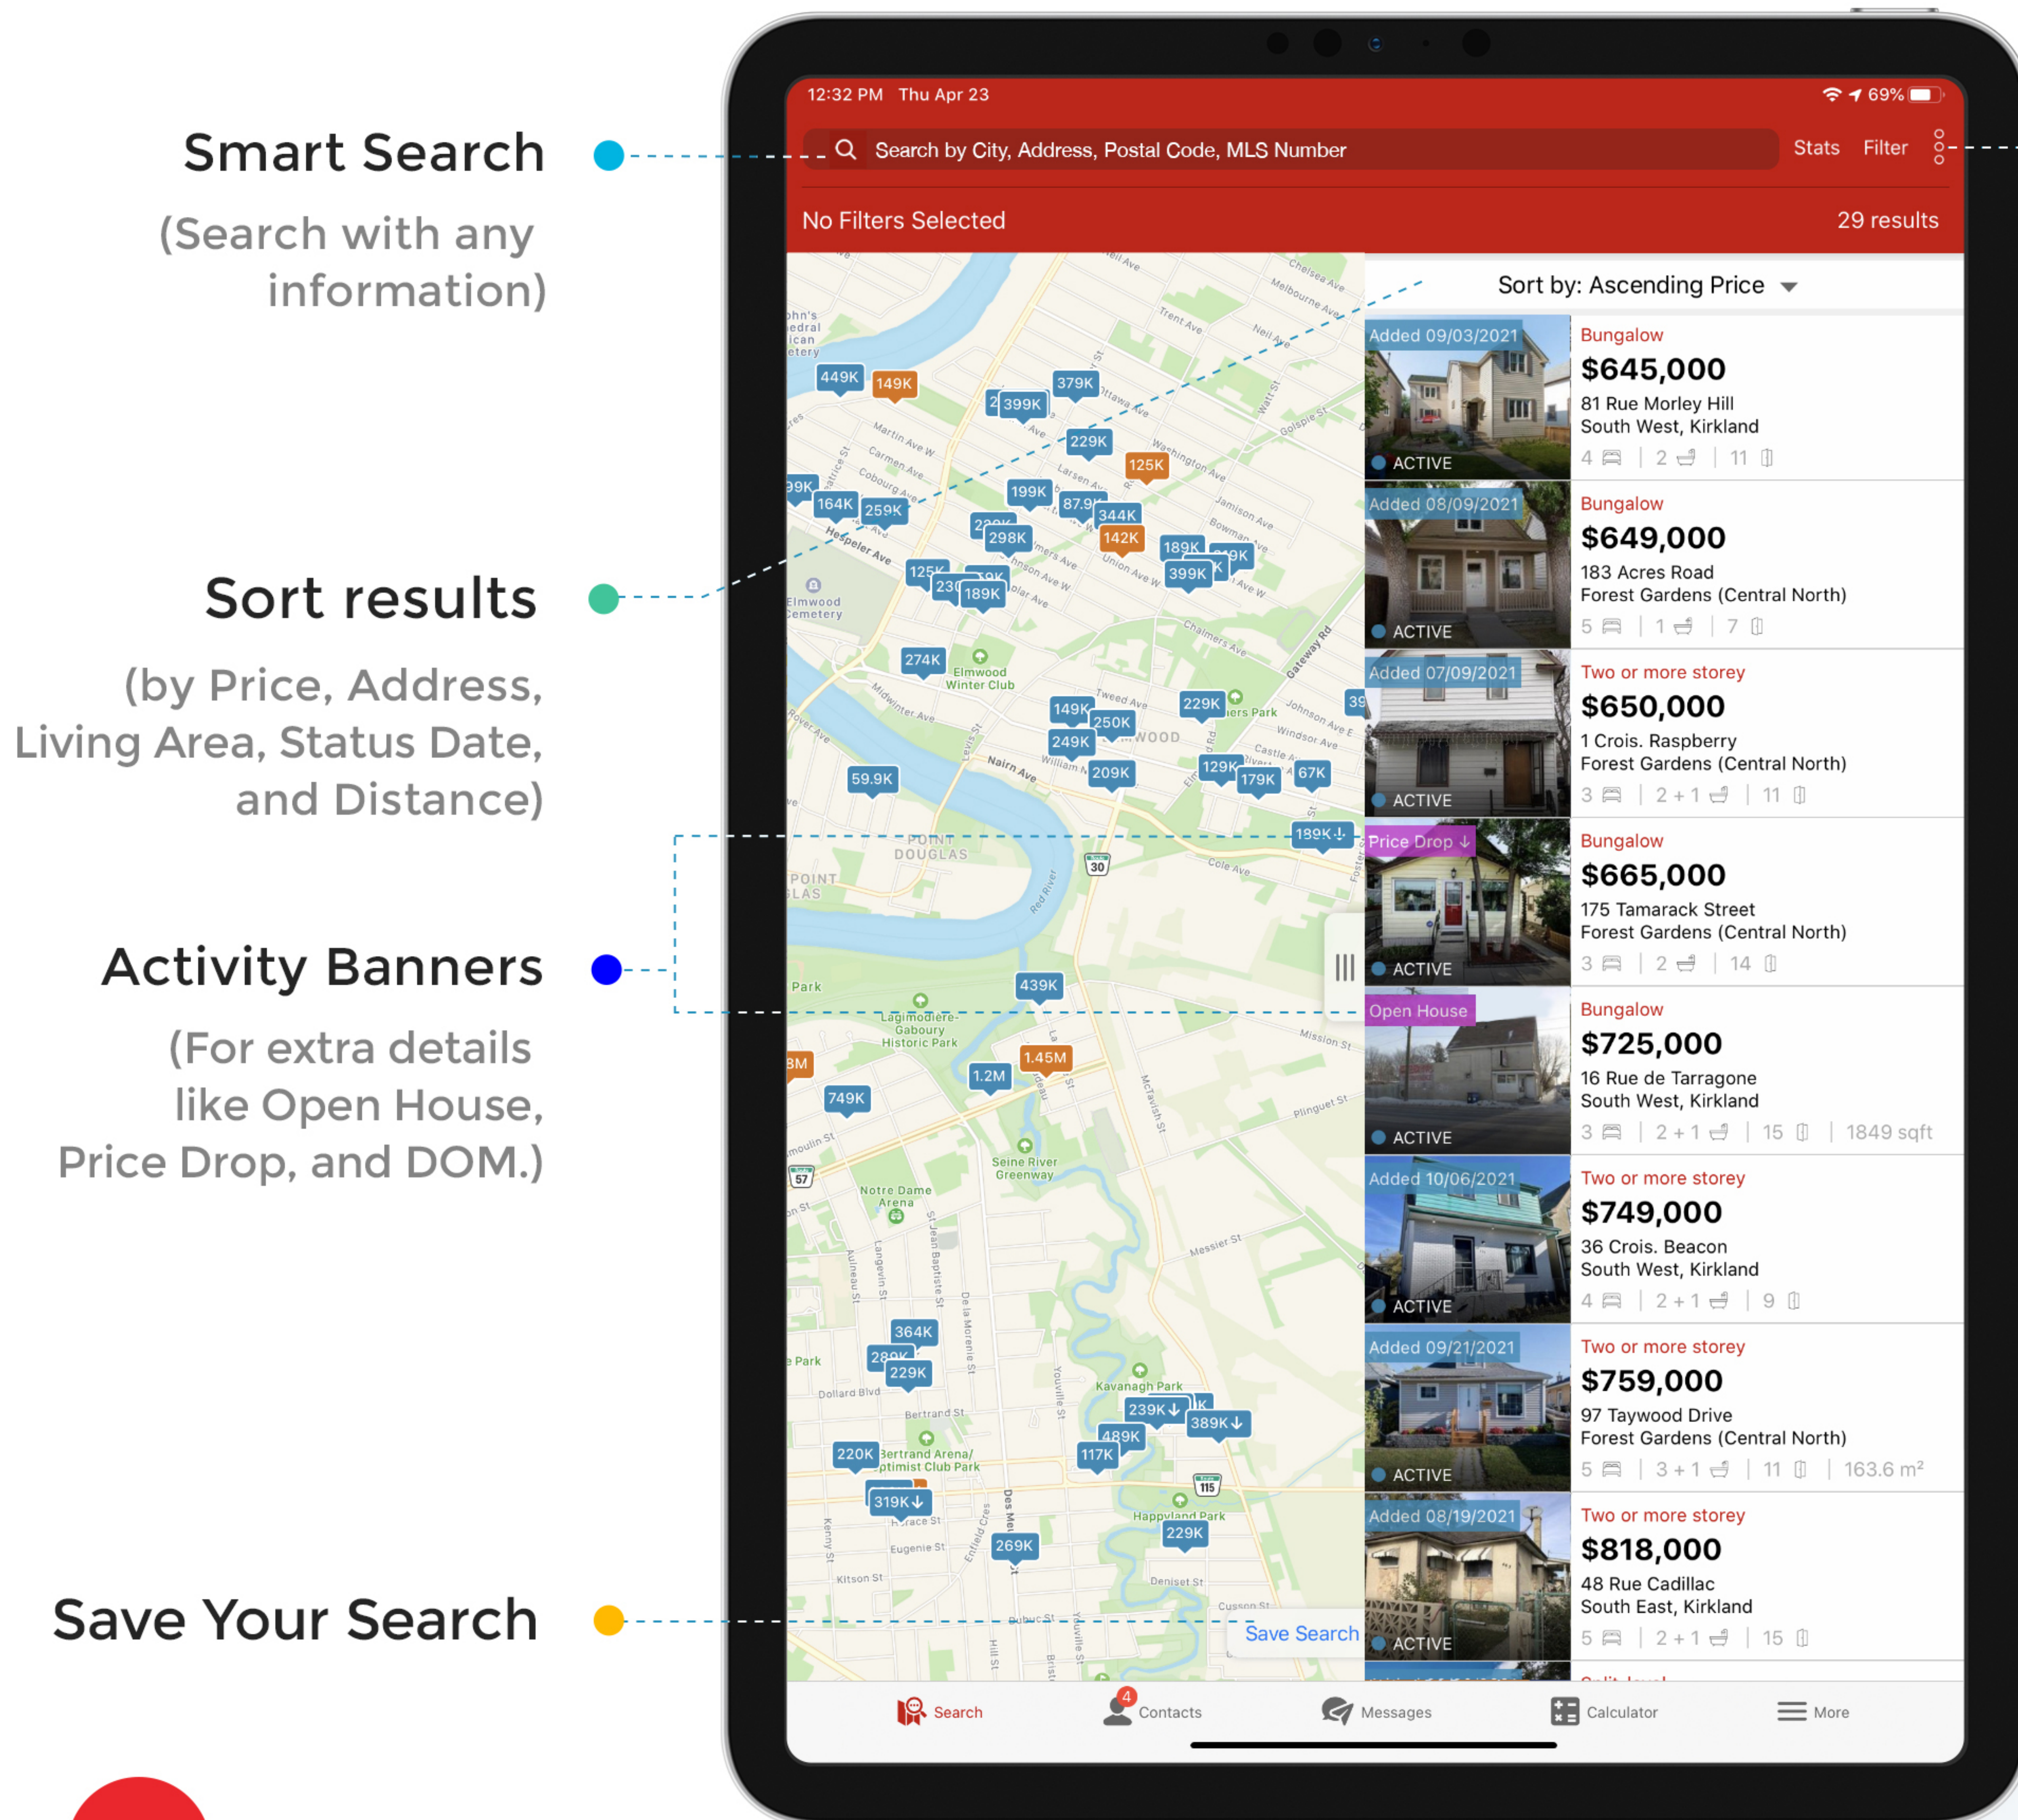

The image shows a tablet displaying the Prospects Mobile app interface. The app is titled "More" at the top. Below the title is a user profile for "Carrie Graw" with a photo and the text "Barrie and District". A list of features is shown, each with an icon and a right-pointing arrow. The features are: My Favourites, My Listings, Saved Searches, Search by Number, InstaView, Hotsheet, Brand & Share™, Facebook Publishing Tool, Calculator, Find Members, Flyers, Matrix™ Integrations, Settings, Technical Support, Discover Prospects Mobile®, Follow Us, Send Feedback, and Terms and Conditions. A "Log Out" button is visible below the list. At the bottom of the screen is a navigation bar with icons for Search, Contacts, Messages, Calculator, and More. Dotted lines connect callout boxes to specific features in the app interface.

- Your Active Inventory** (blue dot) points to "My Listings".
- Nearby Properties** (red dot) points to "InstaView".
- Search Agent Roster** (green dot) points to "Find Members".
- Contact Manager** (green dot) points to "Settings". Below it, the text "(Track client Favorites, Sent Listings and Messages)" is displayed.
- Create Your Own Branded App *** (green dot) points to "Brand & Share™".
- Automatic Facebook Posts** (yellow dot) points to "Facebook Publishing Tool".
- In-App Messaging *** (red dot) points to "Messages".
- Access Additional Features & Settings** (blue dot) points to the "More" icon in the bottom navigation bar.
